Other items change continually, so ask our party office for suggestions 2 weeks prior to your party.

Party Guidelines

- We recommend **booking a minimum of 3 weeks in advance**. The earlier you book, the better chance you have of getting a day, time slot & activity of your choice.
- As part of our **Allergy Awareness Program**, we will always supply allergy questionnaires to the party host family to include with invitations. It is critical that these get signed and filled out by all party attendee's and returned to us 5 days prior to the party.
- Due to unforeseen circumstances, we **reserve the right** to change or substitute party itineraries & rooms.
- Any **outside food** brought into a party must be checked with party attendees for food allergies and is the sole responsibility of the party host. Please bring paper goods for party food and drink that you bring.
- We accept Visa, MasterCard, American Express & Cash. We **do not accept checks** as a form of payment.
- **Gratuities are not included** and may be given at your sole discretion.
- **Confirmations** for the number of party guests & add-on guest food must be made **5 days** in advance to guarantee the proper preparation of your party. The final number we have on file or that is given to us within 5 days of the party is the minimum due for payment. 5 days prior to the party please provide us with the names of all attendees and their forms.
- A \$100 non-refundable **deposit** is required at the time of booking your party. Emergency re-scheduling is permitted.
- We recommend that guests are dressed in appropriate clothing for working with various cooking or craft items and materials that **may stain or harm their clothing**.
- Party time-slots and rooms are on a time-based schedule, which means that times cannot be changed on the day of your party. **Please arrive 15 minutes early** for your party to meet with your FunShop Party Specialist and greet your guests.
- In order to provide a high-quality experience and maintain a state-of-the-art facility, we ask our guests to treat our facility, tools, furniture and equipment with care.
- Any **injuries, concerns or issues** should immediately be brought to the FunShop Party Specialist or the store manager/owner's attention. We also welcome positive feedback and are here to please you.
- Party attendees are required to provide a signed allergy and waiver form in order to enter the party area of our facility. If there are any special needs or allergies, we require to have your forms 5 days before the event to ensure that we will be able to accommodate your needs.
