FunShop Guidelines

- We recommend **booking a minimum of 3 weeks in advance**. The earlier you book, the better chance you have of getting a day, time slot & activity of your choice.
- As part of our **Allergy Awareness Program**, we will always supply allergy questionnaires to all FunShop attendees in advance. It is critical that these get signed and filled-out by FunShop attendee's parent or guardian & returned to us 5 days prior to the FunShop.
- Due to unforeseen circumstances, we **reserve the right** to change or substitute FunShop itineraries
- **No outside food or drink** may be brought into a FunShop room. Anyone without a family member attending a FunShop or party will not be allowed in the secure FunShop and café/lounge area of our store.
- We accept Visa, MasterCard, American Express & cash. We **do not accept checks** as a form of payment.
- **Gratuities are not included** and may be given at your sole discretion
- **All 'no-shows'** without prior notification of 2 days before a scheduled FunShop will be treated as non-refundable
- **Payment** for a FunShop series is **due in full at the time of the first FunShop class sign-up**. No refunds are allowed, but the classes may be taken anytime within a year from the date of the first class.
- When food-related items are being prepared & require baking, please note that at **no time do we allow small children near any oven or hot cooking equipment**. Children prepare their food product or treat and then our staff members will take it to the ovens & return with cooled food.
- We recommend that children are dressed in appropriate clothing for working with various cooking or craft items and materials that **may stain or harm their clothing**. Cooks and Crafts is not responsible for any clothing ruined, stained or lost within our store. **Smocks & aprons are provided**.
- FunShop time-slots and rooms are on a time-based schedule. **Please arrive 5-10 minutes early** for your FunShop to sign-in.
- We encourage the children's parent(s)/guardian(s) to help us **promote good behavior** for our guests during their FunShop visit to maintain safety and ensure a great time for all attendees. Any child that acts improperly will be warned once and then excused from activity participation if necessary.
- Any **injuries, concerns or issues** should immediately be brought to the FunShop Party Specialist or the store manager/owner's attention. We also welcome positive feedback and are here to please you.
